

GENERAL INSTRUCTIONS AND APPLICATION REQUIREMENT FOR NURSE PRACTITIONER CERTIFICATION

GENERAL INSTRUCTIONS

I. General Application Requirements

Nurse Practitioner certification requires the possession of an active California Registered Nurse (RN) license (California Code of Regulations, Section 1482).

If you do not possess an active California RN license and have never applied for a California RN license, an Application for Licensure by Endorsement must also be submitted. If you have had a permanent California RN license, you must either renew or reactivate the California RN license.

Nurse Practitioner application fee is nonrefundable. Processing times for certification may vary, depending on the receipt of documentation from academic programs, association/national organizations or evaluators. Processing a Nurse Practitioner certification application indicating a conviction(s), disciplinary action(s) and/or voluntary surrender(s) may take longer. A pending application is not a disclosable public record; therefore, an applicant must sign a release of information before the Board of Registered Nursing will release information relating to the application to the public, including employers, relatives or other third parties. Once you are certified, your address of record must be disclosed to the public upon request.

ii. Name and/or Address Changes

California Code of Regulations, Section 1409.1 requires that you notify the Board of Registered Nursing of all name and address changes within thirty (30) days of any change. You may call the Board of Registered Nursing regarding the change of address of record. If you have changed your name, please submit a letter of explanation regarding the requested name change plus applicable documentation such as a copy of a marriage certificate, divorce decree or a driver's license.

III. Social Security Number

Disclosure of your social security number is mandatory. Section 30 of the Business and Professions Code and Public Law 94-455 (42 USCA 405 (c)(2)(C)) authorize collection of your social security number. Your social security number will be used exclusively for tax enforcement purposes, for purposes of compliance with any judgment or order for family support in accordance with Section 11350.6 of the Welfare and Institutions Code, or for verification of licensure, certification or examination status by a licensing or examination entity which utilizes a national examination and where licensure is reciprocal with the requesting state. **If you fail to disclose your social security number, your application for initial or renewal of licensure/certification will not be processed.** You will be reported to the Franchise Tax Board, who may assess a \$100 penalty against you.

ALERT: Effective July 1, 2012, the Board of Registered Nursing is required to deny an application for licensure and to suspend the license/certification/registration of any applicant or licensee who has outstanding tax obligations due to the Franchise Tax Board (FTB) of the State Board of Equalization (BOE) and appears on either the FTB or BOE's certified lists of top 500 tax delinquencies over \$100.00. (AB 1424, Perea, Chapter 455, Statutes of 2011)

GENERAL INSTRUCTIONS – (continued)

IV. Reporting ALL Conviction(s), Discipline(s) and/or Voluntary Surrender(s) Against Licenses/Certificates

Applicants are required under law to report ALL misdemeanor and felony convictions. "Driving under the influence" convictions must be reported. Conviction(s) must be reported even if they have been expunged under Penal Code Section 1203.4 or even if a court ordered diversion program has been completed under the Penal Code or under Article 5 of the Vehicle Code. Also, all disciplinary action(s) and/or voluntary surrender(s) against an applicant's nurse practitioner, registered nurse, practical nurse, vocational nurse or other professional license/certificate must be reported.

Failure to report prior conviction(s), disciplinary action(s) and/or voluntary surrender(s) is considered falsification of application and is grounds for denial of licensure/certification or revocation of license/certificate.

When reporting prior conviction(s), disciplinary action(s) and/or voluntary surrender(s), **applicants are required to provide a full written explanation of:** circumstances surrounding the arrest(s), conviction(s), disciplinary action(s) and/or voluntary surrender(s); the date of incident(s), conviction(s), disciplinary action(s) and/or voluntary surrender(s); specific violation(s) (cite section of law, if convicted), court location or jurisdiction, sanctions or penalties imposed and completion dates. Certified copies of court documents or state board determinations/decisions should also be included.

NOTE: A certified copy of the arrest report may also be requested. Applicants must also submit a description of the rehabilitative changes in their lifestyle which would enable them to avoid future occurrences.

To make a determination in these cases, the Board of Registered Nursing considers the nature and severity of the offense, additional subsequent acts, recency of acts or crimes, compliance with court sanctions and evidence of rehabilitation.

The burden of proof lies with the applicant to demonstrate acceptable documented evidence of rehabilitation. Examples of rehabilitation evidence include, but are not limited to:

- Recent dated letter from applicant describing rehabilitative efforts or changes in life to prevent future problems.
- Letters of reference on official letterhead from employers, nursing instructors, health professionals, professional counselors, parole or probation officers, or other individuals in positions of authority who are knowledgeable about your rehabilitation efforts.
- Letters from recognized recovery programs and/or counselors attesting to current sobriety and length of time of sobriety, if there is a history of alcohol or drug abuse.
- Proof of community work, schooling, self-improvement efforts.
- Court-issued certificate of rehabilitation or evidence of expungement, proof of compliance with criminal probation or parole, and orders of the court.

All of the above items should be mailed **directly** to the Board of Registered Nursing by the individual(s) or agency who is providing information about the applicant. Have these items sent to the Board of Registered Nursing, Licensing Unit – Advanced Practice Certification (NP), P.O. Box 944210, Sacramento, CA 94244-2100.

It is the responsibility of the applicant to provide sufficient rehabilitation evidence on a timely basis so that a certification determination can be made.

An applicant is also required to immediately report, in writing, to the Board of Registered Nursing any conviction(s), disciplinary action(s) and/or voluntary surrender(s) which occur between the date the application was filed and the date that a California Nurse Practitioner certificate is issued. Failure to report this information is grounds for denial of licensure/certification or revocation of license/certificate.

NOTE: The application must be completed and signed by the applicant under penalty of perjury.

GENERAL INSTRUCTIONS – (continued)

V. Temporary Nurse Practitioner Certificate

The Temporary Nurse Practitioner Certificate (TC/NP) is only applicable for the Nurse Practitioner certification applicant who does not possess a **permanent California RN license at the time of application.**

The Nurse Practitioner certification applicant may apply for the TC/NP (Page 13) to bridge the processing time of two (2) to four (4) months for the fingerprint clearances so that he/she may work in California as soon as eligible.

Eligibility for the TC/NP is based on the possession of a temporary California RN license (TL), a complete California RN Licensure by Endorsement application pending the fingerprint clearances that will be processed by the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) and a complete Nurse Practitioner certification application.
