	Deleted text is indicated by strikeout.	

Amend Section 1463 of Title 16 of the California Code of Regulations to read as follows:

§ 1463. Scope of Practice.

The scope of nurse-midwifery practice includes:

(a) Providing necessary supervision, care and advice in a variety of settings to women during the antepartal, intrapartal, postpartal, interconceptional periods, and family planning needs.

(b) Conducting deliveries on his or her the licensee's own responsibility and caring for the newborn and the infant. This care includes preventive measures and the detection of abnormal conditions in mother and child.

(c) Obtaining physician assistance and consultation when indicated.

(d) Providing emergency care until physician assistance can be obtained.

(e) Other practices and procedures may be included when the nurse-midwife and the supervising physician deem appropriate by using the standardized procedures as specified in Section 2725 of the Code.
