California Career Institute
Associate Degree Nursing Program

Dear Program Representative:

The California Board of Registered Nursing (Board), at its Board meeting on February 28-29, 2024, agendaized the following item at the January 25, 2024, Education/Licensing Committee (ELC) meeting:

8.1.1 Discussion and possible action regarding board approval of ELC recommendation to approve minor curriculum revisions (16 CCR § 1426), acknowledge program progress reports (16 CCR § 1423), and accept clinical facility approvals (16 CCR § 1427) (schools under consideration are identified in meeting materials).

The Board voted to accept the ELC recommendation to acknowledge program progress report.

Request for a six-month extension to submit our feasibility study for the new associate degree nursing program (May 2024) due to changes in institutional leadership, challenges in securing sufficient clinical sites.

If further information is needed, please do not hesitate to contact your Nursing Education Consultant.

Sincerely,

A handwritten signature in blue ink that reads "Loretta Melby".
