Palomar College
Associate Degree Nursing Program

Dear Approved Nursing Program Director:

The California Board of Registered Nursing (Board), at its Board meeting on February 28-29, 2024, agendaized the following item from the January 25, 2024, Education/Licensing Committee (ELC) meeting:

8.2 Discussion and possible action regarding ELC recommendations related to continued approval status (BPC §2788; 16 CCR §§1421, 1423 & 1431).

The Board voted to accept the ELC recommendation to defer taking action on the continuing approval status while the program works to clear the area(s) of non-compliance or other action for an approved nursing program. Quarterly reports to the NEC and return to ELC/Board in 1-year (Jan/Feb 2025).

If further information is needed, please do not hesitate to contact your assigned Nursing Education Consultant (NEC).

Sincerely,

A handwritten signature in blue ink that reads "Loretta Melby".
