

April 8, 2025

Pacific College of Health and Science
Baccalaureate Degree Nursing Program

Dear Program Representative:

The California Board of Registered Nursing (Board), at its Board meeting on November 20-21, 2024, agendaized the following item from the October 17, 2024, Education/Licensing Committee (ELC) meeting:

8.1.1 Discussion and possible action regarding board approval of ELC recommendation to approve minor curriculum revisions (16 CCR § 1426), acknowledge program progress reports (16 CCR § 1423), and accept clinical facility approvals (16 CCR § 1427). Schools under consideration are identified in meeting materials within the tables.

The Board voted to accept the ELC recommendation to acknowledge program progress report.

Pacific College of Health and Science (PCHS) has requested an additional one-year extension to November 2025. PCHS is addressing Feasibility Study deficiencies (12/31/2021) and is completing a market analysis to identify an alternate location for a new BSN program. The original planned site was on their PCHS Campus located in San Diego, a highly impacted clinical placement area.

If further information is needed, please do not hesitate to contact your Nursing Education Consultant.

Sincerely,

A handwritten signature in blue ink that reads "Loretta Melby".

Loretta Melby, MSN, RN
Executive Officer
