The Nurse Academy
Associate Degree Nursing Program

Dear Program Representative:

The California Board of Registered Nursing (Board), at its Board meeting on May 23-24, 2024, agendaized the following item at the April 18, 2024, Education/Licensing Committee (ELC) meeting:

8.1.1 Discussion and possible action regarding board approval of ELC recommendation to approve minor curriculum revisions (16 CCR § 1426), acknowledge program progress reports (16 CCR § 1423), and accept clinical facility approvals (16 CCR § 1427). Schools under consideration are identified in meeting materials within the tables.

The Board voted to accept the ELC recommendation to acknowledge program progress report.

Request for a 1-year extension (March 2025) to submit the feasibility study for a new associate degree nursing program, to allow sufficient time to complete the BRN requirements.

If further information is needed, please do not hesitate to contact your Nursing Education Consultant.

Sincerely,
