BOARD OF REGISTERED NURSING
Enforcement, Investigation, and Intervention Committee Meeting
Agenda Item Summary

AGENDA ITEM: 5.0
DATE: November 5, 2026

ACTION REQUESTED: Information and discussion only: Enforcement Division Update

REQUESTED BY: Patricia Wynne, Esq., Chair

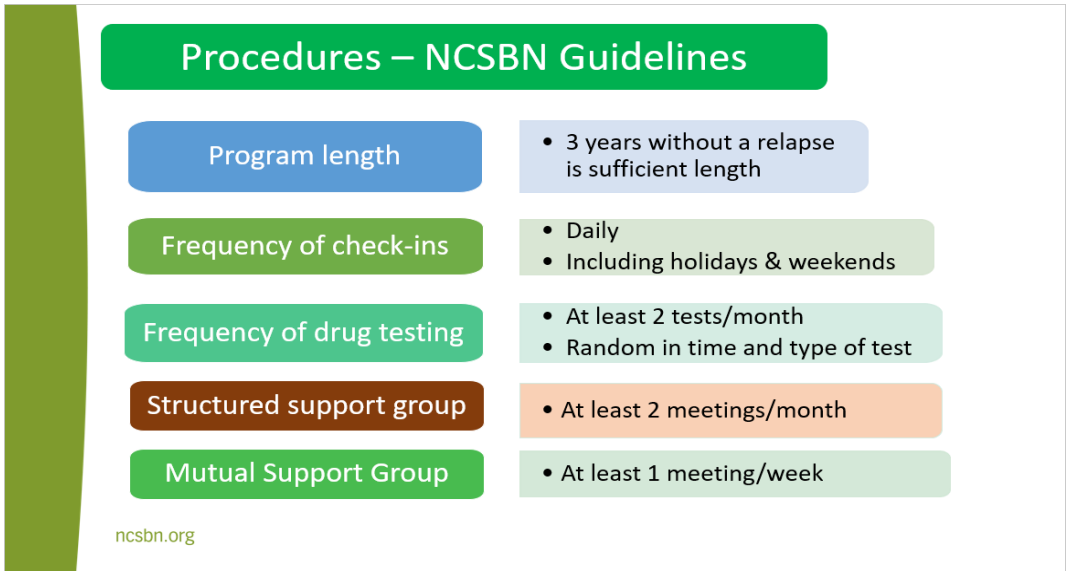
BACKGROUND:

General Information

NCSBN Pilot Study

At the August 2022 Board meeting, the Board voted to join the National Council of State Boards of Nursing (NCSBN) five-year pilot study (study) to test substance use disorder (SUD) monitoring program guidelines for alternative to discipline (ATD) programs for registered nurses (RN). The study, which runs through 2027, tracks participant outcomes from entry into the program through program completion and up to two years immediately following their successful completion. Data is provided to NCSBN biannually throughout the study period. Phase I data collection began in 2022 with a focus on program participation. NCSBN has begun Phase II of the data collection which includes recidivism data.

The information obtained will be used to compare programs that align or do not align with NCSBN's evidence-based guidelines. The results will support, refine, and augment evidence-based guidelines for ATD and monitoring programs to foster uniformity and facilitate nurses' safe return to practice.



Nurse Support Group Survey

In collaboration with Department of Consumer Affair's SOLID Team, a survey was conducted to gather feedback from our Nurse Support Group (NSG) Facilitators regarding what is working well and where improvements may be needed. We are currently evaluating the feedback received and how it may be implemented into our NSG framework.

Expert Practice Consultants

The Board continues to recruit qualified Registered Nurses (RN) with professional and educational backgrounds as Expert Practice Consultants (EPC) to review investigative case materials, prepare written opinions, and evaluate whether an RN deviated from the standards of nursing practice. The BRN is in critical need of EPC RNs and Advanced Practice Registered Nurses (APRN) in the following areas:

- Cath Lab
- Corrections – Nurse Practitioner (NP)
- Dermatology – Nurse Practitioner with Furnishing (NPF)
- Dialysis – RN and NPF
- Hospice - RN and NPF
- IV Therapy – RN and NPF
- Labor and Delivery - RN, NPF, and Certified Registered Nurse Anesthetist (CRNA)
- Long Term Acute Care/Skilled Nursing Facility/Geriatrics - RN and NPF
- Out-Patient/Ambulatory/Clinic/Advice Nurse/Telehealth - NPF
- Operating Room - RN, NPF, and CRNA
- Post Anesthesia Care Unit/Recovery Room – RN, NPF, and CRNA
- Pediatrics - RN and NPF
- Pediatric ICU - NPF
- Risk Management/Quality Assurance
- Urgent Care - RN and NPF

For more information about the EPC program, please visit the BRN website: http://rn.ca.gov/enforcement/expwit.shtml or email us at Expert.BRN@dca.ca.gov.

Complaint Intake Unit (CIU)

CIU has observed a rise in public complaints generated with the help of Artificial Intelligence (AI). These submissions greatly increase the complexity and time needed to complete staff's review of complaint submissions. Staff now must sort through long and often ambiguous narratives to identify essential facts, resolve unclear or conflicting statements, distinguish speculation from actual allegations, and verify details across much larger volumes of text. AI tools may also make it easy for complainants to submit frequent repeat or supplemental filings, adding extra workload for organizing, consolidating, and linking related cases.

CIU continues to utilize the updated Complaint Prioritization and Referral Guidelines (CPRG) to triage cases in collaboration with the Division of Investigation (DOI) and BRN Investigations. In accordance with CPRG, CIU is triaging all Category 2- High (2H) cases with DOI prior to investigation referral.

Discipline and Citations Unit

As of October 6, 2026, 15% of our cases (114) have been pending with the Office of the Attorney General (OAG) for more than one year. We continue to collaborate closely with OAG to address aging cases, and management meets monthly with OAG liaisons to discuss case progress and workload.

The unit is currently developing auto-generated templates to streamline CE audit citation production. Staff also continue efforts to recover unpaid fines through the Franchise Tax Board and external collection processes.

The Citation Analyst currently has a pending caseload of 278 which are in various stages of the citation process. The Discipline Unit is also working collaboratively with the Continuing Education Audit team

to streamline and make our audit completion and referral to enforcement process smoother and more efficient.

Probation Unit

Effective August 17, 2026, BRN transitioned from Vault to our new drug testing vendor, RecoveryTrek. We continue to work collaboratively as we settle into new processes and procedures following the transition.

In September 2026, we implemented an updated Quarterly Report webform that Nurse Support Group Facilitators can utilize to submit reports for probation participants.

Board of Registered Nursing Enforcement Process Statistics

ENFORCEMENT PROCESS STATISTICS

REFERENCE GUIDE

Table A

Complaint Intake

- Public Complaints
  - The total number of complaints received from the public, other state agency, or anything other than a conviction or applicant.
- Convictions/Arrests
  - The total number of complaints received due to an arrest and/or subsequent conviction. These are reported by Criminal Offender Record Information (CORI) from the California Department of Justice (DOJ).
- Applicants
  - The total number of applications received from Board of Registered Nursing (BRN or Board) licensing, in where the applicant disclosed a previous criminal history or discipline by another state board.
- Complaints Received
  - The total number of public complaints received. This includes other state agencies and Boards.
- Complaints Pending
  - The number of complaints that are pending in the Complaint Intake Unit (CIU).
- Convictions/Arrests Pending
  - The number of Convictions/Arrests that are pending in CIU.
- Applicants Pending
  - The number of Applicants that are pending in CIU.
- Public complaints
  - The number of public complaints that are pending in CIU.
- Expert review pending referral
  - The number of cases that are pending to be referred out to an expert practice consultant
- Expert review pending receipt
  - The number of cases that are pending being returned by the expert practice consultant to the Board.

Table B

Citation & Fine

- Citations Issued
  - The total number of citations issued.
- Informal Conference
  - The number of informal conferences conducted after an appeal is made by the Respondent. The results of the informal conference would be either modify, dismiss or uphold the citation.
- Amount Ordered
  - The total fine amount that has been ordered from all citations issued during the Fiscal Year (FY).
- Amount received
  - The total fine amount received by the Board during the FY.
- Amount referred to Franchise Tax Board (FTB)
  - The total amount of fines referred to FTB, in an attempt to retrieve the fines through California Income tax.
- Amount received from FTB
  - The total amount of fines received from FTB from California Income tax.

Table C

Discipline

- Attorney General (AG) referrals
  - The total number of cases referred to the AG.
- Cases pending
  - The total number of cases that are pending a final disposition in the disciplinary process.
- Cases pending hearing
  - The total number of cases that are awaiting a hearing before an ALJ.
- Average days at AGO
  - This is the average number of days that cases are at the AGO for prosecution.
- Pending Board vote
  - The total number of cases that are awaiting a vote by the Board (either in queue to be sent out or waiting for the voting period to conclude).

Table D

Legal Support

- Interim Suspension Order (ISO) - Granted

    - Licenses suspended by an Administrative Law Judge due to the seriousness of the allegations in advance of the filing of an accusation and pending a final determination of the licensee's fitness to practice and provide nursing care.
- Penal Code 23 (PC23) - Granted
    - Licenses suspended from practice as a registered nurse or restricted in how he or she may practice registered nursing ordered by a judge during a criminal proceeding.
- Pleadings served
    - The total number of pleadings that have been served. This includes Accusations, Statements of Issue, Orders to Compel and Petitions to Revoke Probation.
- Withdrawals of pleadings
    - The total number of pleadings that the Board has withdrawn, and no action was taken.
- Decisions adopted
    - The total number of final Decisions that were adopted by the Board. This includes Surrenders, Default Revocations, Ordered Revocations, Probation and

Table E

Probation

- Active in state probationers
    - The total number of current/active in state probationers.
- Tolled probationers
    - The total number of probationers that reside outside of California. These probation cases are placed on hold until the RN returns to California.
- Revoked
    - The total number of probationers that have been revoked.
- Surrendered
    - The total number of probationers that have surrendered their license.
- Completed
    - The total number of probationers that have successfully completed probation.
- Subsequent cases pending at AGO
    - The total number of probationers that have had subsequent discipline and transmitted back to the AG for further disciplinary action.
        - Over 1 year
            - The number of probationary cases that have been pending at the AGO for over 1 years.
        - Over 2 years
            - The number of probationary cases that have been pending at the AGO for over 2 years.

Table F

Total Case Processing Time

- Average days to complete
    - The average days currently taking to complete a case from complaint receipt to final Decision
        - Over 540 days
            - The percentage of cases that BRN **is not** meeting the DCA goal of 540 days for case completion.
        - Under 540 days
            - The percentage of cases that BRN is meeting the DCA goal of 540 days for case completion.
    - ***Note*** *– DCA's goal for all healing arts boards is to complete on an average of 540 days or less.*

BOARD OF REGISTERED NURSING
Enforcement, Investigation, and Intervention Committee Meeting
Agenda Item Summary

AGENDA ITEM: 6.0
DATE: November 5, 2026

ACTION REQUESTED: Information and discussion only: Investigations Program Update

REQUESTED BY: Patricia Wynne, Esq.,
Chair

BACKGROUND:

General Information

The Office of Organizational Improvement (OIO) has been working with the Investigations Division (Investigations) to assess and map workflows, timeframes, and procedures to streamline and improve internal processes. Mapping efforts resumed in September. Investigations will continue to report on the progress of this project in future meetings.

Board staff continue to utilize a Nursing Education Consultant to review complaints concerning potential scope of practice issues. This process helps sort cases and recommend appropriate next steps, and it continues to be monitored for efficiency and any unintended impacts.

Investigations

On June 30, 2026, Investigations announced the recruitment for eight full-time Special Investigator (SI) positions, which were authorized through the Board's FY 2026/27 Budget Change Proposal request. Investigations is currently recruiting for ten full-time Special Investigator (SI) positions and has extended four conditional offers that are progressing through the hiring process. In addition, the Northern Region is recruiting for one limited-term SI position due to a retirement.

As of October 19, 2026, full-time SIs carry an average of 28 active cases. The Chief and the Supervising Special Investigators continue to prioritize hiring efforts and are not actively working cases.

Agenda Item 7.0

INFORMATION ONLY:
INTERVENTION PROGRAM UPDATES

BRN Enforcement, Investigations and Intervention Committee |
November 5, 2026

BOARD OF REGISTERED NURSING
Enforcement, Investigation, and Intervention Committee Meeting
Agenda Item Summary

AGENDA ITEM: 7.0
DATE: November 5, 2026

ACTION REQUESTED: Information and discussion only: Intervention Program Update

REQUESTED BY: Patricia Wynne, Esq.,
Chair

BACKGROUND:

Management has been attending all Intervention Evaluation Committee (IEC) meetings, providing education and support to IEC members and participants, and identifying possible gaps in the regulation for the Intervention Program.

Beginning August 26, 2025, the Executive Officer (EO) started attending the IEC's open sessions to provide members with education about the Intervention Program and the role of the Board and its committee. The IEC meetings open sessions are now recorded and can be accessed in the archive section of the Board's website here.

At the February 2024 Board meeting, the Board voted to allow staff to begin drafting regulatory language for revision and/or additions to the California Code of Regulations (CCR), Title 16, Article 4.1 Intervention Program Guidelines.

The Board continues to meet with the Intervention vendor Premier Health Group (Premier) weekly. The IEC members now have access to Premier's portal, Next Step CMS. This portal allows the IEC members to review all case information directly in the portal.

There are currently five (5) vacancies; two (2) Physician, two (2) RN's and one (1) public member.

The Board continues to recruit IEC members with knowledge and experience in substance use disorder (SUD) treatment, recovery, and mental health. To apply for an IEC position, you can find the application on our website at https://rn.ca.gov/intervention.

PRESENTATION BY THE EXECUTIVE OFFICER ON EDUCATION PROVIDED TO THE INTERVENTION EVALUATION COMMITTEES AND REPORT ON ANY FEEDBACK FROM BOARD STAFF, BOARD VENDOR AND STAKEHOLDERS RECEIVED

BRN Enforcement, Investigations and Intervention Committee | November 5, 2026

BOARD OF REGISTERED NURSING
Enforcement, Investigation, and Intervention Committee Meeting
Agenda Item Summary

AGENDA ITEM: 8.0
DATE: November 5, 2026

ACTION REQUESTED: Information and discussion only: Presentation by the Executive Officer **on education provided to the Intervention Evaluation Committees and report any feedback from Board staff, Board vendor and stakeholders received**

REQUESTED BY: Patricia Wynne, Esq.
Chair

BACKGROUND:

At the August 2024 Board meeting, the Board directed executive management to provide an update to the Enforcement, Investigations and Intervention Committee (EIIC) regarding Intervention Program participants.

Specifically, the Board requested information on recommendations made by the Intervention and Evaluation Committees (IEC) that participants must work in direct patient care and/or have access to passing narcotics to demonstrate that they are able to practice safely as a condition of completion. Additionally, the Board directed the Executive Officer (EO) to review any extensions in the program beyond the three years to ensure there was supporting evidence to justify the recommendations.

While completing this process it was requested that the Board provide education on various Intervention Program topics to the public, committee members, board staff and vendor. This occurs at the beginning of each IEC committee meeting in open session prior to the committee entering closed session.

Topics covered to date:

- August 24 Board motion
- Conditional Recommendations
- Mental Health
- Worksite Monitoring
- Participants journey and role of IEC

Topics for future discussion and education:

- Failure to derive benefit
- Minor vs. Major violations
- Supervision at work
- Clinical Diagnostic Evaluation requirements and reevaluations

Board Motion Data

Successful Completion(s)	8/22/24 through 12/31/25	1/1/26 through 9/30/2026
Petitioned for successful completion	123	37
Granted successful completion	121	37
Reviews sent to the Executive Officer (EO)	57	3
EO approved IEC recommendation(s)	28	1
EO referred to a re-reviewing IEC	29	2
Intervention Program New Applicant(s)		
Petitioned for acceptance	89	38
Granted acceptance	69	36
Denied or withdrew request for acceptance	15	2
Program Length		
Intake date greater than three (3) years	7	2
Program sobriety date greater than three (3) years	1	4
Program Milestones		
Intake date to IEC acceptance date	72 (days) average	56 (days) average
Intake date to successful completion	3.5 (years) average	3.3 (years) average
Program sobriety date to successful completion	3.2 (years) average	3.1 (years) average

Definitions

- **Intake Date:** The date that the recovery vendor conducted the initial intake interview of the IP applicant.
- **IEC Acceptance Date:** The date that the IEC accepts the applicant as a participant into the IP.
- **Successful Completion:** The date that the IEC deemed the participant completed based on Uniform Standards.
- **Program Sobriety Date:** The first documented negative urine test after participant begins random drug testing with the Board's recovery vendor. Please note, personal sobriety is not the same as the program sobriety date. The personal sobriety date is the date that the participant reports is their first date of sobriety.

Agenda Item 9.0

DISCUSSION AND POSSIBLE ACTION: REGARDING APPOINTMENT OF INTERVENTION EVALUATION COMMITTEE MEMBER: DARA FIELDS

BRN Enforcement, Investigations and Intervention Committee | November 5, 2026

BOARD OF REGISTERED NURSING
Enforcement Intervention Committee Meeting
Agenda Item Summary

AGENDA ITEM: 9.0
DATE: November 5, 2026

ACTION REQUESTED: Discussion and possible action: Regarding appointment of Intervention Evaluation Committee Members

REQUESTED BY: Patricia Wynne, Esq.
Chair

BACKGROUND:

In accordance with Business and Professions Code section 2770.2, the Board of Registered Nursing is responsible for appointing persons to serve on an Intervention Evaluation Committee (IEC). Each IEC is composed of three registered nurses, one physician and one public member who possess knowledge and expertise in substance use disorder or mental health.

During the Board meeting on November 20-21, 2024, the Board passed a motion to establish a Board subcommittee to review applications and participate in the interview process of potential IEC members prior to presentation to the Board for consideration of appointment. Board Member Patricia "Tricia" Wynne and Nilu Patel were appointed to the Intervention Program Subcommittee.

The charter was approved by the Board on February 27, 2025.

APPOINTMENT:
Below is the name of the candidate(s) being recommended by the subcommittee for appointment consideration.

Name	Member Type	IEC	Term Expiration
Dara Fields	RN	12	12/31/2030
