MASTER'S DEGREE PROGRAM SURVEY

This section of the survey pertains to all students in your **Master's degree programs**. Include students in a post-graduate certificate program. Do not include students in ELM programs who should be reported in the prelicensure survey section. If you collaborate with another institution to provide nursing education and your school is the degree-granting institution, please report data on the students for whom you grant a degree.

Please answer all questions for the period from *August 1, 2023 to July 31, 2024* unless otherwise specified. If your program admits students more than once per year, combine all student cohorts admitted during the time period specified.

If the program has **no instances** of a particular population, please **enter 0** in the space provided. If the data are **not available**, please **leave the space blank**.

APPLICATIONS & ADMISSIONS

Please answer the following questions concerning student admissions and enrollments as they pertain to different student tracks, programs and demographics. **Do not include students in ELM programs who should be reported in the prelicensure survey section.**

These questions pertain solely to those students who applied to and *enrolled in* the Master's degree program between *August 1, 2023 and July 31, 2024* unless otherwise noted. If you collaborate with another institution to provide nursing education and your school is the degree-granting institution, please report data on the students for whom you grant a degree.

If the program has **no instances** of a particular population, please **enter 0** in the space provided. If the data are **not available**, please **leave the space blank**.

5. How many admission spaces for the first nursing course were **available** between August 1, 2023 and July 31, 2024?

_____admission spaces

6. How many <u>total</u> applications were received for the first Master's course from **August 1, 2023 to July 31, 2024** in each of the following categories? (If your school admits all qualified applicants and guarantees them a place in the nursing program, please report the total number of general applicants to the school (rather than just the nursing program) and then report the number of admitted students for the first nursing course.)

Of these applicants, how many were admitted and enrolled between **August 1, 2023 to July 31, 2024**?

Admitted applicants are the number of individuals who received official notice from the program that they were invited to begin the nursing program during the reporting period.

For **enrollments**, include all students new to the program. If a student is enrolled in more than one nursing program at your school (i.e., a dual track in CNS and NP), count that student in both of the programs listed. Do not count readmitted students or students in ELM programs who should be reported in the prelicensure survey section.
